

# OUR PROGRAMS

## EDUCATION SEGMENT

### WOMCY Geek Girls

It is a Cybersecurity program aimed at school-age children (between 7 and 17 years old), where relevant information about cybersecurity threats is shared in order to minimize risks and share experiences related to STEM careers with the aim of motivating them to study these careers.

### WOMCY Tech

It is a cybersecurity program aimed at college students, where cybersecurity issues are incorporated through current talks, gamifications and hackathons.

### WOMCY Talks

It is a cybersecurity program, aimed at men and women over 18 years old, where cybersecurity concepts are incorporated through current cybersecurity topics on trends, risks and awareness.

## TALENT

### WOMCY Jobs

It is a program designed to support the Human Resources departments at corporations in the job recruitment process of hiring cybersecurity specialists.

### WOMCY Mentoring

It is a program to develop soft skills for women who want to grow professionally in Cybersecurity.

### WOMCY Training Center

It is a program to develop hard skills for women who want to grow professionally in Cybersecurity.
